Invitation as Member of Autonomous Driving Alliance

Autonomous Driving Alliance (ADA)

By offering efficient, safe, and accessible alternatives, autonomous driving is expected to be the most anticipated innovation in the automotive industry. In order to promote the societal impact of autonomous driving advancement and speed up the implementation of autonomous driving, Center of Advanced Power and Autonomous Systems (APAS), takes up the leading role to establish the "Autonomous Driving Alliance (ADA)". It serves as a communication bridge between Government Bodies, Industries, Academia and Research Institutes for the promotion of autonomous driving development in Hong Kong.

If you have an interest in joining ADA, please kindly fill out the following registration form.
